The College of New Jersey

Office of Grants and Sponsored Research

Mission

To facilitate an institution-wide environment of excellence that fosters learning, scholarship, engagement, innovation, and health through the pursuit of external funding.

Services

Pre-Award

- Concept development
- Prospect research
- Narrative review
- Budget development
- Proposal Submission

Post-Award

- Contract review and negotiation
- Subcontract development/review
- Change of scope requests
- Budget modification requests
- Assistance with narrative reports

Ethical Compliance

- Responsible Conduct of Research
- Financial Conflict of Interests
- Sponsor & institutional regulations, policies, and procedures

Resource Highlights

Grants Resource Center (GRC)

Provides personalized and comprehensive federal and private funding information to increase success rates among faculty and administrators. With a pre-award focus, GRC offers access to timely and actionable information on funding opportunities, provides customized support to meet specific campus needs, and promotes networking among sponsored programs professionals.

GRC staff are able to

- Obtain copies of funded proposals from colleagues at other institutions
- Coordinate and schedule meetings with Federal program officers
- Attend legislative meetings and share outcomes of meetings
- Share Federal funding trends
- Provide workshops on applying for grants, funder trends, and best practices.
- Offer a webinar series

For more information about the GRC please visit the website <http://www.aascu.org/grc/> and/or contact OGSR staff at grants@tcnj.edu or 609.771.3255

Bi-Weekly Grant Bulletin

Keep an eye out for bi-weekly emails listing funding opportunities for research, scholarships, centers, building capacity and other purposes.

Benefits of External Support

- Create and support signature experiences for students
- Increase research activities to create new knowledge
- Engage in interdisciplinary research with colleagues
- Collaborative research and projects with community businesses and organizations
- Enhance scholarship
- Promote professional development

FY 2019 OGSR Information Sessions
