

## NEWS

UPDATE

## OGSR To Roll Out New Grants Management System!

The Office of Grants and Sponsored Research will be transitioning to a new pre-award grants management platform, **OneAegis**. OneAegis is a platform created with faculty in mind and designed to accommodate the needs of the research enterprise. More updates to come later in February regarding the implementation of this new system in tandem with IRB.

### OGSR Spring Traveling Office Hours

#### Education: Dean's Suite

Mondays - 2PM-3PM

#### Engineering: Armstrong 103

Wednesdays 2PM-3PM

#### Humanities Social Sciences:

##### Atrium

Thursdays 11AM-Noon

#### Nursing Health Sciences:

##### Trenton Hall

Wednesdays Noon-1PM

Amy Cuhel-Schuckers (Director) and Cathy Virecci (Associate Director Grant Development) will be on site at the above schools during the 2024 spring semester starting **March 1st - May 3rd** as an open resource to faculty and staff.

If these times don't work or if your school is not listed, please contact Amy at [cuhelsca@tcnj.edu](mailto:cuhelsca@tcnj.edu) to schedule.

## SPRING 2024 EVENTS

### Managing Student Research Webinar

**SuRE Resource Center, 2/22/24 - 02:00 PM**

This webinar will touch on tools, such as Individual Development Plans (IDPs), mentoring compacts, informational interviews, etc., and strategies for PIs to consider in setting up a successful lab culture for undergraduate and graduate researchers.

[Register here](#) - Free registration, hosted by University of Kentucky.

### Writing Your Data Management Plan Webinar

**Thursday, 2/29/24 - 12:00PM-12:45PM**

A strong Data Management Plan (DMP) demonstrates how you will manage data generated over the course of your research project. In this session provided by Hanover Research, learn about key components of Data Management Plans. Also included will be recent agency guidance for DMPs, including new requirements from the National Institutes of Health (NIH).

### TCNJ Spring Break Faculty Writing Retreat

**In-Person: Tuesday, 3/12/24 – Wednesday 3/13/24 (Breakfast/Lunch Provided)**

**Virtual: Thursday, 3/14/24**

This writing retreat is especially for those who need protected time and space away from the office and other responsibilities to focus on academic writing. Intentionally timed during spring break, this 2-day writing retreat will allow faculty not only to get traction on writing projects, but, as it fits, to develop ideas and outlines that could provide the foundation for a full proposal. Attend one or two days or all three days (third day is virtual).

### TCNJ NEH Summer Stipends Workshop

**Wednesday, 3/20/24 - Noon-1PM (Lunch Provided)**

The NEH Summer Stipend program supports individuals pursuing advanced research that is of value to humanities scholars, general audiences, or both. Summer Stipends support continuous full-time work on a humanities project at any stage of development for a period of two consecutive months. This program requires tenured/tenure-track applicants to be nominated by an official on their campus. Come learn more about the NEH Summer Stipends program and how to apply.

### TCNJ Early Career Lunch & Learn

**Wednesday, 4/10/24 - Noon-1PM (Lunch Provided)**

The NSF CAREER award represents a significant opportunity to support the early career activities of many pre-tenure researchers. Each year the program grows in competitiveness, and with a limited number of submissions available to faculty, developing the most compelling narrative is essential. Join us to learn more about this prestigious award and its requirements.

### CITI Grant Writing Course

**On-Demand**

Whether you are a faculty member, a student or staff member, this grant writing course can assist assist you with writing a great grant proposal! This course is offered on-demand and is an underutilized resource that OGSR offers to the campus.

[Access to the course is easy, just click here.](#)

**BOUVIER**  
GRANT GROUP

## Turn Your Grant Application into a Manuscript: Top Tips from a Medical Writer by the Bouvier Grant Group

*“Congratulations, you’ve secured research funding and performed your experiments. Now we have to let everybody else know. Here’s how to write that all-important scientific manuscript, working with your grant application as a starting point. (You worked really hard on writing that application!) Your funders want to see their money at work – it’s important to publish those results. And the publications will help secure your next grants.”*
